## WHAT IS BRAIN POWER TRIVIA?

Established in 2024, Brain Power Trivia is the ultimate playground for dynamic personalities to find a home within the vibrant trivia entertainment scene.

We love pushing boundaries! Our shows are more inventive, more outrageous, more hilarious... more EVERYTHING! We craft unforgettable trivia nights that aren't just about questions and answers, but about creating a warm and welcoming atmosphere where groups of friends gather each week for their regular dose of competitive fun.

We've forged partnerships with an ever-growing stable of pubs, bars, and breweries, providing the perfect stage for you to shine.

## ARE YOU OUR NEXT TRIVIA TRAILBLAZER?

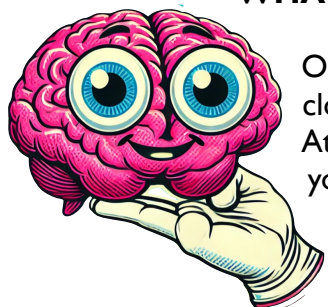

At Brain Power Trivia, our hosts are the heart and soul of the experience, transforming every game into a personalised spectacle! We're seeking vibrant individuals who can truly own the room and infuse each show with their distinct, personal flair.

Our ideal host displays confidence, the kind that draws people in, not pushes them away. You're inherently welcoming, entertaining and witty enough to inject a spontaneous anecdote or two to keep things lively. At the same time, you always guide players professionally through the quiz, ensuring everything runs smoothly, customers are happy, and the show is on schedule.

## WHAT THE ROLE REQUIRES OF YOU

Our trivia battles run for either 90 minutes or two hours, depending on the venue's closing time. We require our hosts to arrive 45 minutes prior to showtime for set-up. At the conclusion of the show, you will spend 15 minutes packing down. Plus, to keep you on top of your game each week, you need to spend 30 minutes on pre-show preparation to familiarise yourself with the week's quiz content. In total, it's either a three or three-and-a-half hour weekly commitment.

## HOW MANY SHOWS A WEEK COULD A HOST EXPECT?

Our Brain Power Trivia show is designed to be presented at each venue once a week. So, a host is assigned to a particular venue and hosts that show once a week on the same designated weeknight. The venue decides what night of the week based on what else they have going on and what best suits the venue. All our hosts start at one venue and do that show weekly to build their experience and skills, and to build the crowd attending. Most of our hosts have daytime jobs so trivia hosting is a second evening job and they do it for the fun, the social vibes and some extra pocket money.

If a competent host wanted more work and wanted a second show on another night of the week at another venue, that would be possible as we grow and sign up more venues. We are constantly pitching to and in discussions with potential new venues. There is also the opportunity for top hosts to gain extra one-off gigs filling in for other hosts when another host is sick or wants to take a holiday, we get one of our other hosts to step in and 'cover'. Also, we do get one-off gigs like corporate events, fundraiser events, kids' school holiday events, birthday parties, and Christmas parties. These are sometimes held at venues where we already operate, other times they are held at other random venues, like town halls and restaurants.

## WHERE ARE THE VENUES LOCATED?

The venues are currently Central Coast based but we are starting to work with venues around Lake Mac, Newcastle, and Sydney. Unless you are lucky enough to live in easy walking or public transport distance to your venue, a reliable car for transport is required.

## HOW MUCH NOTICE WILL I GET BEFORE A GIG?

Our product is weekly trivia, so a host knows that every week, same time, same venue, they have that gig. We don't swap around hosts. A host is assigned to a venue and it becomes their baby. They must take responsibility for that show, nurture that show and grow that show. They must build relationships with the staff and the customers. They must get to know the venue and all of its quirks and equipment so they can solve any problem and answer any question. Consistency is key. Customers want the same host at their venue every week and they will then turn up every week for a good host who is warm, welcoming, knows what they are doing and puts on a high quality show.

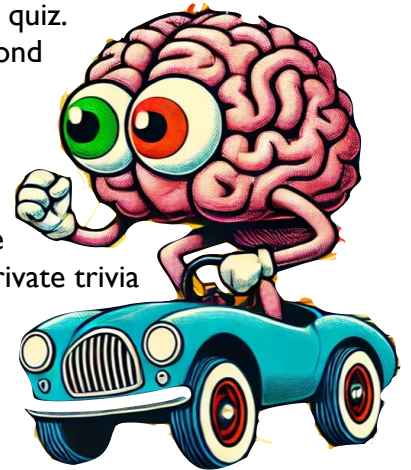

## SHOW ME THE MONEY!!!!

All our hosts operate as subcontractors under their own ABN. Setting up your own ABN is easy and free, if you don't already have one.

All our hosts are required to have two compatible devices to operate the quiz. One device to play the slide show, like a laptop, iPad, or phone. Plus, a second device to play music, like an iPod, phone, or tablet.

You'll earn \$120 per 90-minute show and \$140 per 2-hour show, which works out to be \$40 an hour. PLUS for those hosts who truly excel, there are exciting opportunities to boost their skills and income by taking on private trivia events, like corporate functions, fundraiser groups, school holiday specials, and to host our latest music bingo product.

Trivia hosting does require some basic tech knowledge, and we'll do a number of paid training sessions and teach you how it all comes together, so you are absolutely crushing it when you take on your first show.

So, with the spotlight on, your stage awaits.  
Are you up for the challenge?
